Snapshot

FY 2016

Mission

The Brockton Area Workforce Investment Board (BAWIB) cultivates relationships with employers, job seekers and partners to stimulate workforce and economic development.

Vision

BAWIB will foster relationships and collaborate with regional partners to design education and training initiatives for the workforce in our ten communities, facilitating sustainable growth and regional economic development.

BAWIB serves as the primary source for the development of the regional workforce by investing in our people and our resources. Brokering collaborations between the demands of the workforce and the available resources, BAWIB strives to close the gap through education and training. Utilizing our Career Center partner, CareerWorks, to provide funding to job seekers and employers, BAWIB sets and monitors performance, administration and fiscal management for the region. Our services target underrepresented and disadvantaged segments of our community including unemployed, at risk youth and Veterans in the ten communities that we represent.
